

VitaStance®

Vitamins, Minerals and Amino Acids

- Scientifically balanced formula rich in vitamins, minerals, amino acids, enzymes and essential fatty acids
- Helps maintain general health of all ages and breeds
- Helps keep animals in peak condition
- A mineral supplement to compliment CoolStance copra meal

Why VitaStance®?

VitaStance provides horses and ponies with the necessary vitamins, minerals, trace minerals and amino acids to support health and wellbeing. Developed as a supplement to balance the mineral intake of horses fed CoolStance copra meal, hay and grazing an average pasture. VitaStance contains fatty acids and co-factors to assist bioavailability and to provide benefits of omega 3 and Lauric acid. VitaStance also includes amino acids for normal growth, development, protein production and muscle repair.

Now with an improved iron free formula, VitaStance is suited for horses grazing on Australian soil.

Suggested Product Combinations:

Clean Culture - May support a normal digestive system and may help horses with ulcers. To be fed over 10 days

Turmeric - A combination of turmeric, PowerStance powdered coconut oil, black pepper and resveratrol in a convenient powder form. Ideal for horses with joint issues and skin conditions

Feeding Guidelines

Add to feed, split into two feeds when possible

1 scoop = 35g	Pony 250kg	Galloway 350kg	Horse 500kg
Spelling & light work	1 scoop/day	1.5 scoops/day	2 scoops/day
Moderate work	1.5 scoops/day	2 scoops/day	3 scoops/day
Heavy work	2 scoops/day	3 scoops/day	4 scoops/day

A 10kg VitaStance will last a 500kg horse in light work 143 days.

Safe for horses or ponies with metabolic issues. Suitable for competition.

Sizes Available

200g / 3kg / 6kg / 10kg

Typical Analysis (as fed)

Nutrient	Amount per/kg
Calcium	91 g/kg
Lysine	54.7 g/kg
Methionine	44.9 g/kg
Threonine	35.0 g/kg
Magnesium	29.1 g/kg
Sodium	4.1 g/kg
Potassium	2.5 g/kg
Phosphorous	0.7 g/kg
Zinc	3491 mg/kg
Manganese	2006 mg/kg
Copper	1167 mg/kg
Thiamine (B1)	800 mg/kg
Vitamin B6	800 mg/kg
Pantothenic Acid (B5)	736 mg/kg
Niacin	640 mg/kg
Riboflavin (B2)	480 mg/kg
Vitamin K	200 mg/kg
Folic Acid	80 mg/kg
Iodine	39 mg/kg
Chromium	23 mg/kg
Biotin	16.3 mg/kg
Selenium	16 mg/kg
Cobalt	16 mg/kg
Vitamin B12	1200 ug/kg
Vitamin A	400000 IU/kg
Vitamin D	39900 IU/kg
Vitamin E	9600 IU/kg

About the Ingredients

- > **Magnesium sulfate and magnesium oxide** - Important for nerve and muscle function, and may have a calming influence
- > **Threonine** - An amino acid that assists body condition, weight maintenance and may aid digestive health
- > **Lysine** - An essential amino acid required for growth and development
- > **CoolStance** - (Ground Coconut meal) high in protein, amino acids, fibre and MCT oil and low NSC
- > **SalMate** (powdered fish oil) - Provides essential fatty acids, omega 3s (EPA & DHA)
- > **Methionine** - An essential sulphur amino acid required by the body to make protein
- > **Bull Kelp** - Rich in minerals including calcium, magnesium and potassium
- > **PowerStance** (powdered coconut oil) - May assist coat condition and provide MCT oil
- > **Biotin** - For hoof health
- > **Vitamin and Mineral Premix** - Provides all the necessary vitamins and minerals
- > **Inositol** - A natural compound integral to the health of cell membranes and also believed to aid fat transportation and nerve transmission
- > **Seaweed derived calcium** - Bioavailable calcium and magnesium. High buffering capabilities

Testimonial

"Had quite a few people ask what I was doing different with Stawm as his coat and condition looked so good, only thing different was VitaStance for the week leading up to National Arabian Stud Show. Thanks for putting me onto such a great product..." **Nadine Holland**
